#LocalSolidarityDays

For local elected officials only! Take part to the #LocalSolidarityDays video campaign!

1. Are you a local or regional elected official?
 - **Yes:** Go to point 2
 - **No:** Check localsolidaritydays.eu, take part to events, speak about the EDLS around you, especially to your local or regional elected officials!
2. Have you already signed the [EDLS Charter](#)?
 - **Yes:** Go to point 3
 - **No:** Go to localsolidaritydays.eu/agenda, read the Charter in your own language and sign it!
3. Ask other mayors, councillors or presidents of regions to sign it as well in a small video! How? Check below:

How to make your video?

- Record yourself or ask someone to record you with a smartphone or webcam (prefer landscape format, be careful that you don't have the sun behind you, make sure you are not in a noisy environment)
- In less than 1 minute, explain why you have signed the EDLS Charter and tell other local and regional elected officials why they should sign it now!
- Download the "video templates for mayors" at the bottom of localsolidaritydays.eu/communication-toolkit
- Add the "intro" at the beginning and "outro" at the end of your video with the programme of your choice
- Post it on Twitter with [#LocalSolidarityDays](#) or on your Youtube channel
